PLAYING THE GAME

- > The Host chooses the order that the six (6) categories will be asked
- > Each team is given a pencil and answer sheet – create a “winning” team name & write it on the answer sheet
- > The Host picks the first Question Card & reads the question, allowing one minute for each team to debate & write the answer(s) down
- > After each team has answered the question, the Host then reads the correct answer. Each team then scores that question based on total points possible
- > At the end of each round, each team tallies their total score. At the end of the game (six (6) rounds) the team with the highest cumulative score wins!
- > Top three teams win one of a kind “Trivia Night Hero” buttons.
- > The first place team gets their picture taken with the coveted Denny Bar Co. Einstein Trivia Trophy! Winning team photos are also posted on our website: dennybarcompany.com/trivia

RULES

- > No outside help, cell phones, text, Google etc.
- > All ages welcomed. Teams can consist of 1-4 players
- > Although we appreciate spirited debate, the Host decision is final

TIE-BREAKER

- > In the event of a tie, the Host spins the Bonus/Tie-Breaker Tin to select the category & one question. The team with the correct (or closest to correct) answer will win the game!
 - The Host will repeat the tie-breaker process in the event of multiple correct answers until one team is crowned the winner

TIE-BREAKER ANSWERS

#1 _____

#2 _____

#3 _____

#4 _____
